

*Ref 2*  
3. (Amended) The three-dimension ceramics structure as recited in claim 1, further comprising one or a plurality of fabric layers each having apertures and disposed between said upper fabric layer and said lower fabric layer.

*#2*  
4. (Amended) The three-dimension ceramics structure as recited in claim 1, wherein high-performance material is adhered to a surface of said three-dimension ceramics structure.

*Ref 3*  
6. (Amended) The three-dimension ceramics structure as recited in claim 3, wherein high-performance material is adhered to a surface of said three-dimension ceramics structure.

*Ref 34*  
17. (Amended) A three-dimension ceramics structure, of solely ceramics material, comprising a three-dimension structure made of ceramics, wherein said structure comprises upper and lower layers disposed at a certain distance and an intermediate connecting layer connecting said upper layer with said lower layer.

*Ref 35*  
19. (Amended) The three-dimension ceramics structure as recited in claim 18, further comprising one or a plurality of intermediate ceramics layers disposed between said upper and lower ceramics layers.

*Ab* 20. (Amended) The three-dimension ceramics structure as recited in claim 17, wherein high-performance material is adhered to a surface of said ceramics structure.

Please cancel claims 2, 5 and 18 without prejudice or disclaimer.
